**August 4, 2006**

## **Rendezvous' hunt for a home**

The Wyoming Agriculture in the Classroom Natural Resource Discovery Rendezvous is hunting for a place to call home in 2007. The Rendezvous is in search of a community to host the event during the second week of June 2007.

Applications for host communities are due December 1, 2006. The Rendezvous is a program sponsored by Agriculture in the Classroom and trains teachers and communities in the field of agriculture and natural resources. The event provides objective and quality materials to educators that specifically integrate agriculture and natural resources with the classroom.

For more information on the Natural Resource Discovery Rendezvous, contact Sarka White, education coordinator, at (307) 777-6618 or at [swhite@state.wy.us](mailto:swhite@state.wy.us) or visit the Wyoming Agriculture in the Classroom website at [www.wyomingagclassroom.org](http://www.wyomingagclassroom.org).
